

RECRUITMENT NOTICE STUDENT TEMPORARY EXPERIENCE PROGRAM

- EMPLOYER:** U. S. Department of Transportation
Federal Highway Administration
Western Federal Lands Highway Division
Vancouver, WA 98661-3801
- POSITION:** Student Trainee in Civil Engineering
- Students are assigned to highway construction projects throughout Oregon, Washington, Idaho, Montana, Alaska, and Wyoming. Typical assignments may include inspection of contractor's grading, placement of surfacing or paving materials, drainage installation, etc.; monitoring testing of highway materials and soils; or assisting with field office work, such as making computations in connection with plotting field notes, cross sections and profile data, computing areas, and checking field calculations.
- LOCATION:** Field assignments will be to construction projects located throughout the Pacific Northwest. Mobility is a condition of employment. Students must be available for assignment in any of the six states. Travel and per diem expenses are paid.
- SALARY:** Typically \$9.98 per hour to \$11.21 per hour.
- QUALIFICATIONS:** Applicants must: (1) be pursuing an Associate or Bachelor's Degree in Civil Engineering Technology, Construction Management, Construction Engineering Technology, Surveying, Civil Engineering, or a related field; (2) be enrolled in at least a half-time course load; (3) be in good academic standing; and (4) have completed the freshman year.
- HOW TO APPLY:** Return the completed OF 612 or resume, copy of transcript, and notice of good standing to:
- Kathy Sargeant
Federal Highway Administration
Western Federal Lands Highway Division
610 East Fifth Street
Vancouver, WA 98661-3801

All application packages must be received by April 1, 2003.

STUDENT CAREER EXPERIENCE PROGRAM

STUDENT AGREEMENT

As a participant of the Student Career Experience Program, I understand that I will be assigned to a highway construction project located in one of the following states: Alaska, Idaho, Montana, Oregon, Washington, or Wyoming. In addition to my regular salary (paid biweekly), I will also receive project per diem (paid monthly) at no less than the standard CONUS (Continental United States) rate of \$85.00 per day for the first 15 days on the project (short term) and no less than \$49.65 per day for the duration of the assignment (long term rate). The only exception is when the assignment is in Yellowstone National Park where housing is provided. In Yellowstone, per diem is paid at the rate of \$46.00 per day for the first 15 days (short term) and \$43.32 per day thereafter (long term).

I understand that as part of this agreement I am responsible for keeping the Federal Highway Administration informed of my current address and phone number. Cindy Story may be reached at (360) 619-7679 or by e-mail at cindy.story@fhwa.dot.gov.

Further, in order to be converted to permanent status after graduation, I am required to have worked a minimum of 640 hours prior to graduation and be recommended for permanent employment by my project supervisor.

The following shows my availability for work and school schedules (please fill in the blanks).

Dates	Available for Work	Returning to School
2003/04 School year		
2004/05 School year		
2005/06 School year		
Anticipated Graduation Date		

I understand the work periods are generally limited to summer only.
